Subject: RE: permission to draft senate companion to 0086

Hi Elisabeth,

I don't believe I received a Senate companion for LRB 0086/3. Or if you sent it, we must have missed it. Regardless, can you please send along a copy with jacket?

Thank you very much.

2013 ASSEMBLY BILL 137

NO CHANGES

1 AN ACT to amend 29.001 (30) and 29.001 (36); and to create 29.192 (6) of the
2 statutes; relating to: requiring an open season for woodchucks.

Analysis by the Legislative Reference Bureau

The Department of Natural Resources (DNR) currently, by rule, prohibits hunting and trapping woodchucks without DNR's authorization by designating the woodchuck as a "protected wild animal."

Under this bill, a woodchuck is defined as a "game animal" and as a "fur-bearing animal." As a result, a person may hunt woodchucks under the authority of a small game hunting license and trap woodchucks under a trapping license. Also under this bill, DNR is required to establish an open season for woodchucks that begins on March 1 of each year and ends on the following December 31. DNR may not impose a bag or possession limit for this season.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 29.001 (30) of the statutes is amended to read:

4 29.001 (30) "Fur-bearing animals animal" includes otter, beaver, mink,
5 muskrat, woodchuck, marten, fisher, skunk, raccoon, fox, weasel, opossum, badger,
6 wolf, coyote, bobcat, cougar, and lynx.
